## Examination Urged Breakwater Useless As Is, Hahn Tells Ottawa

The 200 foot White Rock breakwater as it exists today is practically useless, George Hahn, M.P. for this area, told House of Commons members in a recent speech.

A letter from the White Rock Board of Trade was quoted by the member as proof of his statement.

It read in part: "The following list comprises owners of boats who would anchor at White Rock if suitable protection was available. The boats now are anchored at Blaine, Washington, New Westminster and Vancouver."

The list gave approximately 40 names. The letter closed with the following statement: "The Semiahmoo Yacht Club of 150 members has approximately 40 boats under construction or on order from manufacturers."

This, the letter stated, was over and above some 50 or 60 boats and owners already listed. Inadequacy of the present breakwater to protect such boats as did moor at White Rock was also emphasized by the Board's letter. It continued: "During a storm in October, 1954, five craft moored behind the breakwater were severely damaged due to the inadequate protection."

Said Mr. Hahn: "It does seem to me that a breakwater which costs well over \$100,000 was intended to give boats that would moor behind it some measure of protection."

## Better Telephone Service Promised For White Rock

Speaking to the White Rock Board of Trade on Tuesday evening, Mr. Ralph McPherson, of the B.C. Telephone Co., stated that his company is rushing work on the extension to their building on Vidal St.

Upon completion of the building and installation of new equipment, and the changing of party lines from 6 to 4, Mr. McPherson said "White Rock will have a much improved service."

From 153 telephones in 1946 to well over 2000 at the present time, with a steady demand for new installation, was given by the speaker as the cause of trouble experienced in this area.

Mr. McPherson urged all subscribers to notify his office of the change of street numbers immediately so that the new numbers will appear in the next telephone directory.

## Kin Week to be Marked May 28 to June 3

Local Kinmen are at present formulating plans for the annual observance of Kin Week, to be held this year from May 28 to June 3.

Last meeting of the White Rock Kinmen was held on May 14. Election of officers for the coming year took place, with the following results: President, Victor Vogt; vice-president, Bryce Holland; secretary, Sid Humphreys; and treasurer, Stan Frodham.

Directors will be Bruce Martin, Charlie McLaren and Ray Woodward.

## Peace Park Picnicers Freedom in Danger

When a building for the purpose is erected picnicers in Peace Arch Park will be required to pass through it, to check in and out of the Park, it was reported to the Semiahmoo Sun this week.

Mr. L. Brooks of the Provincial Lands and Forest Department and Mr. L. S. W. Wells, District Architect, Department of Public Works, met at the Peace Arch Park on Monday to further study the proposed plans of the Federal Customs and Immigration Departments for enlarging and improving the facilities at Douglas.

Mr. Brooks stated his Dept. does not wish to relinquish approximately an acre of the present Peace Park picnic area to Ottawa. He suggested that a further study be made and that Ottawa should consider using Federal lands adjacent to the site.

Present plans call for extra parking space within the enclosure and also parking space for the public using the picnic grounds.

Definite plans for the proposed building have not yet been announced.

## Low Rent Units for Elderly People

## NHA Amendment Sought— Lower Income Family Aid

What Canada needs today is a serviceable \$6000 to \$8000 home for families in the lower income brackets, George Hahn, New Westminster Member of Parliament, declared in his Ottawa speech on a needed amendment to the National Housing Act.

Mr. Hahn also pressed for more low-rent units for aged citizens. Since the removal of rent controls in British Columbia, the following rent increases demanded of pensioners have been reported, said Mr. Hahn: From \$25 to \$42.50 (widow); from \$21 to \$45 (couple); from \$25 to \$42.50 (widower) and from \$17 to \$30 (widow).

Houses under \$10,000 in price were one of the greatest needs in Canada today, said the member.

"By and large up to the present, the NHA has built houses for the higher income bracket families with incomes of \$6000 and up," he said, pointing out that "we need 625,000 homes in this country."

Other speakers charged that Central Mortgage and Housing Corporation rules have added \$500 to \$1000 to the price of each house by imposing and enforcing a growing list of regulations governing construction.

Reeve R. M. Nesbitt said this maintenance charge had been passed on a non-ward basis to avoid additional book-keeping and the work was being done by Public Works Superintendent Furlak wherever it was needed in the municipality.

He didn't think it possible to get figures for each ward.

Coun. Burrows predicted "foremen are required to present reports of work done and it is important that each ward councillor should know what these costs are. I maintain it is possible and should be given."

Coun. Theo Kuhn, supporting Coun. Burrows said "we have two new councillors and they should have the parliamentary privilege of getting this information if they want it and I second the motion."

Coun. Stevens said "If \$102,000 has already been spent we are entitled to know where the receipts \$80,000 is going to be spent."

Coun. Burrows believed that "as long as we are on the ward system we should operate on that system."

## Large W.R. Delegation Battles Plan

## Airport Plebiscite Seen

A plebiscite over all-Surrey to decide the fate of the proposed White Rock Airport is a possibility when results of preliminary negotiations with the National Board of Transport Commissioners is known.

A motion to open up the 480 acre site for "private enterprise" development, sparked by Coun. J. D. Burrows, was defeated.

It was pointed out that this area had been "reserved for sale" since 1947 when it was mooted as a possible airport site.

A 60 member White Rock delegation, headed by N. Barnett, North Bluff Rd. ad. had occupied most of the morning, protesting Council action in advising the National Board of Transport the land is available for airport uses.

Delegation feared it would cost Surrey too much money and might be a loss rather than a good investment. L. K. Sully, White Rock Realtor, believed

Surrey would derive more revenue by opening it up for residential development and suggested an alternate site on the Brown and Latimer Roads which is not suitable for residences or agriculture. He believed Council should consider wishes of the White Rock people.

It was suggested the annual return in taxes would be \$250,000 against a nebulous profit from an airport.

Delegation said noise from jet planes would ruin the land values besides objectionable noise near schools and would be very harmful to the White Rock Hospital. A straw vote among the White Rock people was suggested.

A straw vote of the people in the district was also suggested but Reeve Nesbitt said the Municipal Act required a Surrey-wide plebiscite since it

would affect the whole municipality but he was "willing to abide by the wishes of the majority just as soon as we know what the Federal Government is willing to do."

The Reeve assured the delegation "it will not cost Surrey one penny to develop the airport." The manager of the Vancouver port had advised him that profits from that airport were \$900,000 last year.

It was pointed out no commitments had been made to Ottawa when answering the five points required by the Transport Commission. Council had agreed the land was available for airport purposes but responsibility for purchasing privately-owned land within and around the site, as well as maintenance costs and costs of buildings to be erected would be borne by the government. Council would insist on municipal control.

## Scout and Guide

### Building Plans Made

Plans have been approved for the new building for the Scouts and Guides. While the White Rock Legion, No. 8, are sponsoring this building the Semiahmoo Sun are informed that this effort is not a Legion project but is a community effort. The handsome building will be 46 x 80 and will be built on the corner of Buena Vista and F Street at a cost of \$15,000. Money has to be raised for this project by public subscription, the building committee have reported.

## Martin Street G.N.R.

### Signal Under Fire

Surrey Council will refuse to pay any more than the agreed 25 per cent of cost of installation of warning signal over the Great Northern Railway tracks at Martin Street.

An order received from National Transport Commission provided that 90 per cent of installation, not exceeding \$1850, is to be paid in equal parts by the crossing funds, 20 per cent of cost to be borne by Surrey and the remainder paid by the Railway. Maintenance costs are to be paid in equal parts by the municipality and the railway. The railway has protested this arrangement as far as their costs are concerned.

It was pointed out maintenance costs have been paid by Federal Works Department since 1935.

## Truck Stolen— Golf Club Riffled

W.R. Fuel Oil truck was stolen early Tuesday morning, May 8 from Pacific Avenue in front of the residence of its owner, Mr. H. Beasley.

It was found on Washington Avenue and a Vancouver man, Virgil Stanton, was apprehended driving the truck. He has been charged with theft of the truck and appeared in court on Wednesday morning.

Peace Portal Golf Club Cafeteria was broken into on the night of May 10. Two hundred cigarettes and a large quantity of meat were stolen. Robert Bergen Elliott and Herbert Getzel, both of New Westminster, have been arrested and charged. Most of the stolen goods have been recovered.

## Blue House Wins Semiahmoo Sports Day

By JIM COYNE

Blue House racked up 244 points Friday, May 11, to win Semiahmoo's annual sports day by an easy 32 point margin.

White House placed second with 192 points, followed by Red House with 181 points.

When the year's total for volleyball and basketball activity was added to the sports day total, Blue House was still riding high with 551 points.

Red House had moved into second place with 506, followed by White House with 504.

Cold, wet weather forced the opening House parade, usually held on the school grounds, to move into the gymnasium.

Blue House got off to a good start by winning the parade with a fine showing of the sciences, biology, chemistry, and physics.

Red House took second spot with a colourful display with the Wonders of the Universe. A showing of the commercial-

ized television world' gave White House a close third.

### SONG WINNERS

"The Yellow Rose of Texas" was the theme that gave White House their first victory of the day. Blue House won second spot with a rousing song from "The Vagabond King." Red House came last in the songs with a popular T.V. beer commercial.

Blue came first in the school yell, followed by White and Red, respectively.

After the opening ceremonies were completed, Blue was on top with 40 points, followed by White with 30, and Red with 20. Athletes, spectators and officials moved to the field for the opening sports events at 12:30 p.m.

After a competitive two hours of track and field events, Blue House still held a healthy lead over the other Houses.

Competition tightened in the dying moments of the day when the relay events were run off. Despite a burst of power by Red and White House teams, the Blue House athletes had compiled enough points to safely win sports day and the sports year at Semiahmoo.

### FINAL MIXER

The final school mixer of the

year was held Friday evening to close a successful sports day.

The Student Council decorated the gym with sports day posters from the various houses.

This brought inter-school sports and social activity to an end for 1955-56. The West Zone Fraser Valley Track Meet will be held Friday, May 18 at Queen's Park, New Westminster, with all six Surrey High Schools competing.

### Legion Instructions— Peace Arch Ceremony

Comrade John Hunt, President Branch No. 8, Canadian Legion, has issued parade instructions for the International Peace Arch celebration to be held Sunday, May 20.

Legionnaires and Ladies' Auxiliary will assemble at Canadian Legion Hall, complete with Colours and Colour Parties and be ready to move off at 1:30 p.m. They will proceed to the Canadian Kitchen (Douglas Customs Gate) ready to fall in at 2 p.m. The dress will be Organization or Civilian Head Gear. Decorations and medals will be worn. Next of kin wishing to wear decorations and medals may do so, to be worn on right side of jacket.

"It would be much appreciated if members and friends having room in their car for a passenger or two would stop at the Legion Hall at 1:30 p.m. and give someone a ride to the Peace Arch Canadian Customs Gate," said Comrade Hunt. "Members going direct to Canadian Kitchen must be there not later than 2 p.m."

In case of rain and the probable necessity of cancelling the programme, notification will be sent out from local Radio Stations, he said.

Above times mentioned are Daylight Saving Time.

### Mau-Mau Theme Of Pentecostal Film

"African Conflict," a 25-minute sound documentary film in colour, will be shown in the White Rock Pentecostal Taber-

nacle on Friday, May 18 at 8 p.m. according to an announcement made by Rev. E. P. Funk. Rev. John McBride, a native of Pembroke, Ontario, who has served two terms in Kenya as a missionary (the last in the centre of Mau-Mau activity), is showing the film across Canada and will supplement the film with personal observations. Admission is free, and the public is invited.

"African Conflict" poses the question—What is the answer to the resurgence of paganism as symbolized by the rise of Mau-Mau terrorism?

The British Secretary for African Affairs, Mr. Winters, is interviewed on the screen, and quizzed on this matter. He stresses the role of aggressive Christian evangelism as the agency for bridging the gulf between whites and blacks.

## Teeing Off At Peace Portal

By CHUCK ARNOLD

Eclectic! is underway, all par-busters are striving for birds at Peace Portal, and Bert Davey is leading the field at the end of one week's play.

**MONTHLY MEDAL**—On the second Sunday of each month our club plays off for a monthly medal low net winner. At the end of four months the four monthly winners play off for the K. Nelson Trophy. All players have an equal chance as full handicaps are allowed. Big Bill Bell, New Westminster, fired a 79 with a 13 handicap for a net 66 to become the first medal winner.

Second and third low net positions were tied by Dr. Al McPherson and Jack Miller.

**4 BALL BEST BALL**—In this game each team scores the best ball in competition with other teams. The winners of this event were Bert Davey, White

Rock; Barry Hirtz New Westminster; Stu Nairn, New Westminster; Alec Dyck, New Westminster.

### CONGRATULATIONS TO NEW GOLFER

## Night Of Laughs Offered By Players

Almost all of the acting members of White Rock Players' Club will be on stage when the club presents an evening of one-act plays for a five-night run starting Tuesday, May 22, at the Little Theatre.

Comedy will keynote the evening, with all three one-act plays offering humorous entertainment of a widely varied kind. A total cast of 21 will ap-

pear in the three plays.

Highlight of the presentation will be the Noel Coward comedy, "Family Album," which won the local club the top award for "best play" and brought director Franklin Johnson, the best-director trophy in the recent Greater Vancouver and Lower Mainland One-Act Play Festival.

This is the production which the Players will take to Nanaimo at the end of the month to compete with other regional winners in the provincial one-act finals.

Also scheduled to round out an evening of laughs is a one-act mellerdrammer, "Curse You, Jack Dalton," and the Philip Johnson comedy, "From Five to Five-Thirty," both of which are being directed by Brian Lane, assisted by Felicie Mitchell. Taking roles in the mellerdrammer are Julia Wilkins, Don Johnson, Phil Procter, Chris Davies, Ruth Glen, Phyllis Clifford and Neil Primrose. In the cast of "From Five to Five-Thirty" are Elda Saunders, Margaret Primrose, Peggy Procter, Eileen Webb and Una Lilwall.

### SUPPORT ASKED

The Players' Club is asking for local support in the form of full houses all five nights to assist it in taking "Family Album" to Nanaimo. The opening night, Tuesday, will be two-for-one night, permitting patrons to attend at half-price. Tickets are available now at the J. P. Mitchell Real Estate Office.

## Scouts Good Deed For Memorial Park

The First White Rock Troop of Boy Scouts are deserving of this Community's hearty thanks for their decision to do something about beautifying Memorial Park.

For those who may not know the facts, it should be revealed that this so-called park is a small, one quarter acre area adjoining the Great Northern Station near the pier. In its 1964 annual report, the Board of Park Commissioners referred to this much-neglected site as a valuable green spot where tourists and permanent residents found relaxation.

This may be true, but what the Park officials failed to point out was why the area had never received any attention in the way of a few flowers in the rocky, or why since it was called a Memorial Park no attempt was made to have it live up to its name.

For nearly two years this newspaper has campaigned to have this small park improved or at least to have the sign "Memorial Park" which decorated a telephone pole in the centre of the site, removed. While it remained in such a prominent position it proclaimed to all American visitors entering this country via the Great Northern, that Canadians were most neglectful of even their memorial parks.

A few weeks ago we were glad to announce that the sign at last had been taken down. We asked again if some local group would not take on the job of beautifying the small plot.

Now the latest word that the Scouts are going to do their good deed by planting flowers and that a very good citizen is supplying the fertilizer and seeds gives all White Rock well-wishers a breath of hope for the future beautifying of their town.

The local Scouts, no doubt, are doing this as their national conservation good turn for 1966.

We can only say, well-done! And add that once more the young have showed their elders the way in a vital matter of community service.

## The Recreation of Music

Someone once wrote that music is the medicine of the mind. Today we might substitute the term recreation but the meaning would be the same. Few people will question the truth of the statement. Fortunately for White Rock a number of residents felt most strongly that more of such recreation would be of the greatest value to the community and decided to do something about it. Out of their dreams and planning grew the present Association, now known as the Semiahmoo Bay Overture Concert Association.

Vancouver is the nearest centre for hearing good concert and symphonic music and transportation poses a big problem. Here in White Rock, too, the music lovers responsible for starting the Overture Association felt, there is an increasing number of music students who are progressing to the higher grades in their studies with few opportunities of hearing first-class exponents of the various branches of the art.

The present association pledged to bring good music to White Rock grew out of a Music Committee appointed by the White Rock Recreation Council. The Committee, with Mr. Warren Slaughter as President, aided by Miss Elizabeth Keeling, President of the Arts and Crafts League, Mr. Ed. Irwin and Mr. Neil Primrose, have now launched a programme designed to bring a concert series here during the Fall and Winter months.

The local group is in association with the Vancouver Overture Concert Association, headed by George Zukerman, B.S.O. in the Vancouver Symphony, whose organization is a Canadian agency, which procures first-class Canadian and U.S. artists under contract with Associations set up in various parts of B.C. Admission to the proposed concerts will be by membership only.

Membership tickets will be sold in advance for the concert series. Everyone buying a subscription will become a member and be entitled to attend general meetings and to have a voice in the selection of artists.

Those in charge are stressing the fact that the organization is a strictly non-profit one. All money raised through the subscriptions will go towards planning the concerts and paying the artists' fees. In the event of insufficient memberships being sold, subscribers will receive their money back.

The whole plan is a momentous step for White Rock and the music lovers who have initiated it are to be congratulated for their foresight and hard work on behalf of the community. It is to be hoped they will receive the support of far more than the required 400 members.

## Quick Canadian Facts

In 1965 the number of automotive vehicles entering Canada from the U.S. totaled 15,868,200, of which 7,139,000 were Canadian vehicles returning to this country.

In the coming year Ottawa estimates that family allowance ten years ago, and the universal old age pension payments will cost \$77,819,000.

## Gas Promised For 1957

Car loads of heavy iron pipe going through on freight cars to Vancouver via the Great Northern, recently have given fresh colour to the belief that the Lower Mainland in company with Vancouver will have domestic gas piped all the way from the Peace River, for heating and cooking, by 1957.

The approval of the United States Federal Power Commission for the daily purchase of 300,000,000 cubic feet of Canadian natural gas is accelerating the move of the U.S. to rush a gas line to meet the Canadian pipeline. Pacific Northwest Pipeline Corporation which is building the natural gas line northward to join with Westcoast Transmission Company's "Big Inch" from the Peace River is reputed to be racing to the border.

Which will get there first is now the question, although disputes over wages have more than once slowed operations on the Canadian side.

It's a 650 mile long line from Fort St. John's which Westcoast is working on and it is costing somewhere in the neighbourhood of \$150,000,000. Miles of the 30 inch steel pipe have been trundling westward over other trans-continental railways in recent months to speed the work of this vast international scheme to provide households

in the Pacific Northwest with fuel for both cooking and central heating.

### THE GAS AGE

In addition to supplying gas for domestic uses the pipeline will be a major factor in industrial development in both Canada and the Western United States. New industries, particularly in the petro-chemical field are expected to develop in British Columbia. It is estimated that wells in B.C. will supply approximately 24,000,000 cubic feet a day. The construction, operation and maintenance of the pipeline and gas-line and sulphur plants will also create considerable employment.

Apart from the other benefits which will accrue from the pipeline, it is expected that development of petroleum and natural-gas resources will be accelerated at a rate unprecedented in this Province. Pacific Petroleum Ltd. alone has announced its intention to drill at least 70 additional wells, and it is anticipated that extensive exploration and development programmes will be commenced by other companies, including Canadian independents and major oil companies, which at present are operating or have land holdings in the area.

### THE SEARCH GOES ON

Since 1947 a total of 131 wells

has been drilled in the Peace River area, of which 69 were abandoned, 60 were completed as potential gas wells, and two were completed as oil wells. In addition, six are suspended and 10 are drilling or completing at the present time.

Exploration in British Columbia has been concentrated mainly east of the Rocky Mountains. This area contains approximately 50,000 square miles, embracing both the northern foothills belt of the Rocky Mountains and the north-western extension of the Great Plains. It is drained by the Peace, Liard, and Hay River systems.

Preliminary geological and geophysical surveys have been carried on actively throughout the region, which is underlain by a thick accumulation of sedimentary rocks. Most of the drilling has been in the more settled parts of the Peace River area, and most of the proven gasfields are north of the Peace River in the Fort St. John district. However, at the present time wells are being drilled from Lone Mountain in the south to beyond Fort Nelson in the north.

It looks as though the Canadian North is at last about to come into its own.

## B.C. Faces Serious Forest Fire Hazard

Launching its annual drive against forest fires with the celebration of Forest Conservation Week, May 19th-26th, the Canadian Forestry Association announces the most intensive fire prevention campaign in its 31-year history.

Long range weather forecasts indicate a season of high fire hazard on the Pacific Coast this summer.

A nation-wide event, "Forest Conservation Week" is designed to focus the attention of all Canadians on the Dominion's most important resource—the forests and all that they stand for in economic security, recreational advantages and wildlife habitat. Each is an essential element in our way of life and each contributes its share to the national well-being. In the final analysis, however, all these benefits are contingent upon the survival of the forest itself and in forest protection the most vital concern at this season is fire prevention.

Statistics for the last fire season on record show that careless campers and smokers are still responsible for approximately two out of every five forest fires in British Columbia. While the public is unquestionably more fire conscious today, the fact remains that hazardous conditions are becoming increasingly severe with the rapid growth of tourist traffic and the opening up of many new forest areas to the public.

If the prediction of a dry summer for 1966 proves true British Columbia will need the co-operation of every citizen to preserve its forests.

## The COMMON ROUND

A.J.P.

NOW THAT THE BY-ELECTION SMOKE has cleared and Ward 6 and 7 have emerged with new Councilors, Aubrey Stevens and Jack Burrows, it is time to take stock of things. Both these able gentlemen have by now had a chance to look over their respective wards and have, no doubt, realized that they have a tremendous task ahead of them.

Without knowing just what retiring Councilors Miller and Pitman had in mind for their wards this year it is difficult to know what will or will not be done this year.

There are, however, several very important and urgent matters that should be attended to without delay.

FOR WARD 6 perhaps one of the most important and urgent is the joining up with the Vancouver water supply. Early completion of the new reservoir for Crescent and blacktopping of the Elgin bridge are also important. Considerable work should be done at once on Crescent Beach Road and much work is needed on the Park at Crescent. The question of Comfort Stations at Crescent is a must and every effort should be made to settle the vexing problem to the satisfaction of everyone just as soon as possible.

These are but a few of the things Councilor Stevens is faced with.

IN WARD 7 Councilor Burrows also has a long list of things to be done. As in Ward 6 he is faced with the water situation. The new councillor should use his influence in seeing that no time is lost in getting Vancouver water into the Sunnyside area and in so doing relieve the water situation in his ward.

COMFORT STATIONS IN WHITE ROCK are most urgently needed. One for the East end and one at Oxford Street, with a third one near Bay St. Parking on the waterfront is another matter that should receive immediate attention. Off the street parking should be considered and acted on. Also property should be acquired so that more turn-around streets can be built, thus relieving congestion on Washington Avenue, which at times is acute.

OUR TWO NEW COUNCILORS are faced with innumerable problems and have an extremely busy time ahead for them. Residents of the two wards can assist them greatly if they ponder a moment before complaining about smaller matters they think need doing.

## This and That

Our doctor would never really operate unless it was necessary. He was just that way—if he didn't need the money he wouldn't lay a hand on you!—The Reader's Digest.

## DISOWNED

Three monkeys sat in a cocoanut tree, Discussing things as they're said to be, Said one to the other, "Now listen you two, There's a certain rumour that can't be true—

That man descended from our noble race— The very idea is a disgrace, No monkey ever deserted his wife, Starved her babies and ruined her life.

And you've never known a mother monkey To leave her babies with others to bunk, Or to pass them on from one to another 'Till they scarcely know who is their mother.

And another thing you'll never see— A monkey build a frame 'round a cocoanut tree, And let the cocoanuts go to waste, Forbidding all other monkeys a taste.

Why—if I'd put a fence 'round a cocoanut tree— Starvation would force you to steal from me. Here is another thing a monkey won't do— Go out at night and get on a stew.

Or use a gun or club or knife, To take some other monkey's life. Yes, man descended—the monkey's life— But, Brother, he didn't descend from us."

Mr. Spicer wishes to thank all his many friends in White Rock for their excellent patronage during the past six years.

### June Wedding

#### Plans Made Known

The engagement of a former Semiahmoo High School student, Mary Williams has just been announced. The eldest daughter of Mr. and Mrs. John Williams, Magdalen Ave., will marry John Charles Hoyt, son of Mr. and Mrs. C. J. Hoyt of Skagway, Alaska. After graduating from the local High School the bride-to-be attended University of British Columbia for two years. The groom-to-be is a graduate in engineering of the Oregon State University at Corvallis. His father is the Superintendent of the White Pass and Yukon Railway.

The wedding will take place in the home of the bride-to-be's parents on Magdalen Ave.

### W.R. Lions Hear Talk on Retarded Children

At the Silver Moon on Monday evening before a large gathering of Lions and their wives, Dr. Henry Dunn of Vancouver, who was introduced by Mrs. Warren Slaughter, was guest speaker. The visitor gave a most informative talk on Retarded Children. He told his audience that 14 per cent of children in all B.C. are Retarded Children.

"About 20 years ago this subject would not be talked about by parents, but since the war there has been a great change towards this subject," the speaker said.

Dr. Dunn was thanked for his most instructive and interesting talk.

During the evening, newlyweds, Mr. and Mrs. K. Binning, were presented by Bill Patterson with a three-piece silver tea service from the members of the W.R. Lions. Mrs. Binning was also presented with a lovely bouquet of pink carnations by Mrs. D. Speer on behalf of the Lions. Ken Binning suitably responded.

### Tea Honours

#### Ottawa Visitor

Mr. and Mrs. R. P. Stanforth of Thrift Road entertained at the tea hour last Sunday in honour of Mrs. C. J. Stanforth of Ottawa, Ontario, who has been the guest of her son and family for some time. The occasion was Mrs. Stan-

forth's birthday and Mother's Day together. Twenty guests were present to wish the guest of honour many more years of continued health and happiness.

Presiding at the tea table, which was centred with red roses, were Mrs. Ray Onkels and Mrs. William Matthews. Mrs. R. Dempster cut the loaf and assisting in serving were Mrs. C. Stuart, Miss Allison Stuart and Mrs. T. Betts.

Out of town guests were Mr. and Mrs. Andrew Pitts of Abbotsford, very old friends of the Stanforth family.

### On The Fire Front

Since May 8 there have been two chimney fires and two bush fires extinguished by the local Fire Department. No damage is reported.

### Sunnyside Road Paving Costs Sought

Paving of one mile of Sunnyside Road between Coast Meridian and Pacific Highway on a general ward basis was referred by Surrey Council to the Board of Works for setting of costs estimates.

G. A. Cooke, Sunnyside Community Association president, stressing importance of the road, said Councillor Theo Kuhn was unable to finance it out of ward funds because of the Campbell River Road fill expense.

W. E. Johnson, President, White Rock Board of Trade, emphasized heavy traffic using the road and inconvenience of long detours and the hazardous condition of this Sunnyside mile.

The May meeting of the White Rock and District Horticultural Society was held on May 8 at 8 p.m. Guest speaker Mr. Frank Dwyer, F.R.H.S. of Vancouver, was accompanied by three of his students. Together they judged the Parlour Show and one of them explained how points had been awarded. Mrs. W. Potter got top marks for cut flowers and Mr. J. Gill for a potted plant. The very handsome cup which was originally presented to the Horticultural Society by H. W. White, Esq., and has been passed on to the present society by Mrs. H. Vidal, was on display.

Making a Printed Dress

For many women the big sewing project of the year is making a special spring into summer costume.

The exciting variety of embroidered fabrics, now available

at popular prices, and the wide range of small patterned prints are favourite choices among dress materials, according to sewing centre reports.

## SUNNYSIDE

Mrs. Jack Murray, the former Kathie Gable, was honoured at a shower held at Sunnyside Hall on May 10 when neighbourhood friends gathered to honour her following her marriage. The bride, wearing her wedding gown, was enthroned in a specially decorated chair, and when the gifts were presented to her a cascade of confetti showered upon her. After the opening of the gifts, at which delightful task she was assisted by her sister and cousin, Valine Gable and Dianne Doct, contests were played and then the ladies served delightful refreshments. All joined in wishing Kathie a long and happy wedded life.

The sympathy of the community is extended to the relatives of the late Harry Currie of Crescent who was laid to rest in Sunnyside Cemetery on Friday last.

At the PTA at Sunnyside School last week a panel discussion on "What is Wrong with the Education System?" took

The best wishes of the community are extended to Mr. and Mrs. Lynn Robson who were married on May 5.

## PANORAMA RIDGE AND COLEBROOK

"Jay Kendall" was the name given to the infant son of Mr. and Mrs. Ken Greenwood of New McLean Road at a private baptism on Sunday afternoon. Rev. Thos. Keyworth officiating. Afterwards Mr. and Mrs. Greenwood were "at home" to a number of guests, including Mr. and Mrs. C. Fryde and three children, Mrs. Reynolds, Mrs. Haslem, Mr. and Mrs. Robert Ellis, of Vancouver, Mrs. N. Ellis, of White Rock, maternal grandparents Mr. and Mrs. R. J. Walter of Spokane Wash., who have been visiting with their daughter and son-in-law were also present, as was the paternal grandparents, Mr. and Mrs. Wm. Greenwood of Newton. Mrs. Virginia Wray, sister of Mrs. Greenwood was in charge of the refreshments, and servitors were the Misses Dot and Marie Jones, and Miss Anne Petticrew of Cloverdale. Godparents for the baby were Mr. and Mrs. Gerald Loftus of Whalley. Special guests were the baby's great uncles, John and Pete Mazo of Vancouver.

The sympathy of all the neighbours is extended to Mr. and Mrs. Dan Gardlund in the

passing of their son Fred, at Renton, Wash.

The Church Hall of the United Church on Station Road was filled to overflowing on Sunday morning last when the mothers, fathers and friends of the children were invited to attend Mother Day Services. Special music was provided by the Girls Choir under the leadership of Mrs. Don Agnew, and a reading was given by Miss Marie Alderley. Don McCain, Supt. of the Sunday School was in charge.

Congratulations to Mr. and Mrs. Wilbert Miller, nee Diane Pepper, on the birth of a little daughter, Leslie Ann.

Mrs. B. Miller spent a few days in Edmonton recently, visiting with her daughter, Miss Willie Miller who is Senior Stewardess with the C.P.A. at that point.

## RECIPE OF THE WEEK

Most cooks today like to save time by baking cookie-like small cakes in a shallow pan, then cutting them into squares or bars. It's a lot faster than rolling and cutting, and quicker even than dropping individual cookies. And we all like to have a good variety of recipes for such afternoon tea fare. This recipe was given to me by Mrs. Aubrey Layley, a Past President of the Women's Auxiliary of the Anglican Church and a member of the Eastern Star Lodge.

### RASPBERRY BARS

1 cup flour  
1 egg  
1/4 cup butter  
1 tablespoon milk  
Roll thin and spread in pan, sides and all. Cover with raspberry jam.  
To make topping, beat 1 egg, 1 cup of sugar and butter size of an egg together until well-blended. Add 1 cup coconut, 1 cup crushed corn flakes, 1 teaspoon vanilla.  
Spread on top and bake all together until brown. About 10 minutes.

## VEGETABLE GARDEN

**Beans**  
Is the best month for runner beans in open ground. Being climbers of very growth they must have of room. Sow them in or 6 inches deep, or dib clusters or circles, five beans in each cluster, wing 6 feet apart, they are grown with fewer and look more natural. varieties have the same but the most popular is the Scarlet Runner, is unsurpassed either in or productiveness. Blue is a very good variety to a mail for winter use, seed may still be sown, articularly for salad, ch purpose thin out the sowings and clear from. There is no reason why could not grow onions on

three or four week intervals. Thin out in several operations—2 inches apart the first time, 4 inches apart the second time, 6 inches the third operation, and using the thinnings for salad or cooking. By all means use them young and you will get the full benefit of their flavour and food value. Never let them get old.

**Beets**  
Repeat the same process as for Carrots.

**Spinach**  
This may yet be sown for succession. As the weather gets warmer it is apt to run very quickly, so it is advisable to sow on a north border. Give plenty of room; it is less likely to run than when crowded.

**Endive**  
The Batavian may be sown now; it may be useful to use in the same manner as spinach; treat in the same way as lettuce. Sow again in June, as it is less likely to run than that sown earlier.

**Lettuce**  
Sow small quantities at intervals. As I have stressed before, the leaf lettuce has more food value than the blanched head lettuce. Salad Bowl is one of the best leaf lettuces.

**Corn**  
Both Sweet Corn and field varieties may be sown with safety now. Sow in drills and thin out to a foot or 18 inches apart, or better still plant with a dibber in hills 18 inches apart—3 or 4 seeds to a hill, and thin out all but one plant.

Cucumbers, squash, marrows, and melons may be sown now, or plants may be set out towards the end of the month. Celery should be planted out in well manured ground or in trenches in which well-rotted manure and compost has been added. This is only necessary for the White Plume variety which has to be earthed up for blanching. The green variety, Utah, is planted on level ground. Tomato plants should not be planted out in the open ground before May 15. Plant the pruning varieties for best results. Grow one stem only, pinching out all laterals.

Poppers and Egg plants should not be set out till the end of the month.

More men hunt ducks and geese in Canada than any other kind of game.

### Plan Garden Party

Arrangements were made to hold a Garden Party at the home of Mr. and Mrs. H. Cobb, Stokes Road, on June 27, when the W.A. of the Social Credit organization met at the home of Mrs. Oliver Scott on Tuesday, May 8.

Mr. Noel Murphy is expected to be present to speak. Mrs. Murphy has been asked to pour on that occasion.

The Brenda York Cooking School held in the Ocean Park Hall on Thursday night drew one of the largest attendance that has been in the hall for some months.

Mrs. J. W. Phelps opened the affair and introduced "Brenda York" to the gathering, who thanked the W.A. of the Church of the Ascension for the preparations that had been made to insure a successful evening. The door prizes were won by Mrs. T. B. Green and Mr. Lorne Cheverie. Other prize winners were Mrs. H. Murphy, Mrs. J. E. W. Phelps, Mrs. H. McGalliard, Mrs. Harrang, Mrs. R. Temblett, Mrs. Nash, Mrs. Armstrong, Mrs. Walker, Mrs. Mannere, Mrs. Peers, Mrs. Langdale and Mrs. S. King. During intermission a film was shown.

Mr. and Mrs. D. Hill, North Bluff Road, and family, were called to Edmonton on the weekend owing to the death of Mrs. Hill's father. The sympathy of the community goes out to the family in their bereavement.

Mrs. D. McCloy, accompanied by Jackie and Ian, left on Wednesday for Peterborough, Ont., where she will spend sometime with her parents and other relatives.

Mr. and Mrs. T. Rimmer leave on the 19th on a trip to England to visit relatives.

Mr. A. Rines of Sunnyside Road is a patient in White Rock Hospital. We wish him a speedy recovery.

The W.A. of the Church of the Ascension met in the S.S. room on Thursday for the regular monthly meeting with Mrs. A. Rines in the chair. Tentative plans were made for the annual Garden Party which will be held on July 4.

Miss Gladys Wise, a former resident of Ocean Park, arrived back in Canada on April 13. She is leaving immediately for The Mission House, Taylor Flats, B.C., where she is going as Bishop's Messenger. Taylor Flats is about 30 miles from Dawson Creek and about nine miles from Fort St. John.

The card parties being held in the Ocean Park Hall in aid of funds to assist in improvements to the building are proving very popular. Prize winners at Friday night's party were Mrs. H. McGalliard, Mrs. M. Terrell, Mr. S. Quinn and Mr. J. Winship.

### Reidville Liberals Have Capacity Meeting

Reidville Hall was filled to capacity on Wednesday evening, May 9 for the annual meeting of the Delta Provincial Liberal Association. Officers elected were: Hon. Pres., Prime Minister Rt. Hon. Louis St. Laurent; Hon. Vice Pres., Senator Tom Reid; Pres., Wm. Wilson; Vice Pres., Robert Tait; Secretary-treasurer, Don Ross.

Grant Deachman, Executive Secretary for B.C. Liberal Association, and Robert J. Cooper, area vice-president for Fraser Valley, were guest speakers. Mr. Cooper brought forward the watchwords of the late Prime Minister, Rt. Hon. Mackenzie King, Unity, Security and Freedom. He pointed out that we once again have unity amongst Liberals, but that security and freedom are being badly jeopardized by the actions of the Social Credit Government in Victoria.

Mr. Deachman gave an interesting and informative talk on organization which was followed by questions and intensive discussion.

cussion. Refreshments were later served by the ladies of the West Surrey Liberal Association.

A parlour show will be held in conjunction with a meeting of Reidville and District Garden Club, in Reidville Hall on Monday, May 21 at 8 p.m. Don Howard, president, will conduct the meeting. Tom Barber, well-known garden expert, will be guest speaker. All garden lovers are cordially invited to attend.

### Caledonians Close Season With Dance

The last meeting for the season of the St. Andrew's Caledonian Society for the Lower Fraser Valley held at the White Rock Hotel on the evening of Thursday, May 3 was one of special entertainment.

Business being disposed of, including discussion of a summer picnic at Peace Arch Park, four new members were inducted into the Society with the usual formal ceremony. Welcomed individually into the group by President Bob Crich-ton were: Mrs. Myrtle Davidson, Mrs. A. McKay, Mrs. L. C. Moffat and Miss Pat Stearns.

Four couples of the Scottish Country Dancing Society went through the graceful forms of two dancing numbers with accompaniment by Mrs. R. P. Wintersteen on the piano.

The audience was also treated to selections by the Caledonian Pipe Band, with Pipe-major Alex Ferguson in charge. The fling, sheen truibhas and reel were also danced to the tunes of the pipes by Doreen Cook, Barbara Pepper, Margaret Cook and Paddy Studda. Followed the serving of refreshments and general dancing to accordion accompaniment by Robert Stenhouse.

### Crescent Guild

#### Elects New Officers

The annual meeting of the Crescent Handicraft Guild was held at the home of Mrs. A. L. Dryden, on Monday, May 7 at 2 p.m. A very successful year of progress was shown by the reports in ceramics, copper work, aluminum etching, and oil painting. It was decided to put a small display of handicrafts, as requested, in the White Rock Library for the month of May.

The work shop meetings will commence again early in September, and the new officers for the year will be as follows: Mrs. A. L. Dryden, president; Mrs. W. R. Shelp, 1st vice president; Mrs. Buchand, 2nd vice president; Mrs. W. Logie, secretary; Mrs. B. McLaren, corresponding secretary, and Mrs. W. Sheppard, treasurer. Mrs. J. Middleton will be layette convener for Save the Children Fund.

The final meeting for the 1955-1956 season was brought to a close with a pleasant social hour and dainty tea.

### Veterans Offered Home Construction Courses

British Columbia's war veterans, including those of the not too recent Korean conflict, are becoming "do it yourself" fans in a major way through the Home Construction plan, technically known as Part II of the Veterans' Land Act.

From the boys who thought they couldn't even drive a nail to those with a good working knowledge of construction, they're pushing up homes in many parts of the Province and saving themselves considerable money in the process.

Those without adequate construction experience are given a construction training course under V.L.A. supervision. More than 500 B.C. veterans have shown interest in the plan and more than 80 have already started work on their new homes. Some 75 per cent of these have been or are taking 10 week training courses.

### NIGHT CLASSES

The "schooling" is not time-exacting or tedious. It consists of two-hour classes, two nights a week. Three schools are operating in Victoria and Vernon, two in Burnaby and one each in Trail, Nelson, Duncan, and Nanaimo. Organization for schools is now being completed in the Fraser Valley.

Chief requirement is ownership of a lot meeting N.H.A. standards. Veterans, however, should not commit themselves to the purchase of a lot until it has been formally approved by the V.L.A. When submitting the lot for purchase the veteran must deposit \$500 or the asking price, whichever is the greater. If the veteran owns a lot valued by V.L.A. at \$800 or more the authorities will take title in lieu of cash and if valued at less than \$800 the veteran pays the balance to that figure in cash. Approved building plans are also available free.

Following approval of site and plans, the veteran applies for a building loan and the "do it yourself" project really gets under way. There is continuing inspection and advice by V.L.A. which makes progress payments as required.

GET TITLE  
On completion of the dwelling the title to the property is conveyed to the veteran and his wife subject to an N.H.A. mortgage repayable over 25 years with interest at 5 1/2 per cent yearly.

"We're anxious to hear from every veteran who wants to build his own home and save money in the process" states W. H. Osard, District Superintendent of the Veterans' Land Act for B.C. Veterans can write to the District Office in Vancouver, P.O. Box 1059, or call at 1231 Haro Street, or write Box 780, Post Office Building, Columbia Street, New Westminster.

## Coldicutt Group To Picnic In Peace Arch Park

A picnic in the lovely environs of Peace Arch Park will be the last gathering of the Coldicutt Hospital Group for the summer. To be held on June 12, the picnic will commence at 1 p.m. with a picnic lunch. All members are asked to bring their own lunch, including tea or coffee.

"Anyone needing transportation is asked to phone Mrs. L. Russell, Newton 168-Y-2. We hope all our members can come

and enjoy the afternoon with us," said the Group Leader. The monthly meeting of the Coldicutt Group was held at the home of Mrs. W. H. Bruehl, Sunset Drive. Co-hostesses were Mrs. J. Longhrein and Mrs. C. Nevard.

The group realized \$70 from their stall at the Country Fair. Ladies in charge of the stall were Mrs. L. Russell, Mrs. G. Williamson, Mrs. H. Bingham, and Mrs. H. Ringheim.

### SUNNYSIDE

George Hopp has finished his Junior year at Royal Roads Tri-Services College, Victoria, and his parents and sister, Mr. and Mrs. Gust Hopp and Sally, of Sunnyside, attended the graduation. After spending a few days at Sunnyside, George left for Vancouver, where he is on a recruiting tour, before going on to Gimli, Manitoba, for further training. Later he will attend the tri-service college in Kingston, Ontario.

Little Gail Hrominuk spent a week in White Rock Hospital, but she is home again and feeling fine.

Mrs. Crumme was a recent visitor from Vancouver to the home of her daughter and son-in-law, Mr. and Mrs. James Mair of Sunnyside.

Miss Muriel Sostad, formerly of Sunnyside, who has been nurse-in-training at Vancouver General Hospital, was in this year's graduating class of Registered Nurses. Attending the graduation exercises were five of her intimate friends who attended Semiahmoo High with her, including Mrs. Tony Franklin of Sunnyside.

On Sunday the Eagles Girls' Band under the direction of George Currie, resplendent in their new uniforms of white and blue, held a rehearsal perfect-

ing their technique for their initial participation in a parade, when they, with 22 drum majorettes will lead the parade at the rodeo at Cloverdale, May 21. Good luck girls

P.O. White Rock, B.C.  
Mother's Day, May 13, 1956.

Dear Sir:

Your excellent timely editorial of May 10 "To spank or not to spank" is indeed most fitting not only for Mother's Day but for any day. It is a notable parallel to the wise Solomon's proverb, warning us that "A child left to himself comes to ruin." A ship drifting without intelligent navigation and seamanship at sea will do likewise.

I think most children and young people with their sense of justice, whereby they can discern readily between discipline and despotism, welcome real discipline rather than reject it as it gives them the guidance they need, and they realize its necessity in any worthwhile walk of life.

May I thank too Mr. J. Ayres for his beautiful letter in the

above Semiahmoo Sun. Mr. Ayres many years ago sent me a fine poem from his pen when a patient in Tranquille Sanatorium, though I have never met him.

Yours sincerely,

## "SCHOOL'S OUT"

The years pass so quickly; first thing you know your child's school days are over. Will your boy or girl go on to professional, technical or other advanced studies? A lot depends on the family exchequer; your child will probably need some financial help. So it's not too early to start building up a special fund that will assure a future education. Regular deposits in a Royal Bank savings account, now, can be a big factor in giving your child the best possible start in life. "There's nothing quite like money in the bank."

## Semiahmoo Yacht Club Remodel Premises

A programme report on the 1950 re-modelling job being done on the Semiahmoo Yacht Club premises on the pier was given by Leighton Young to club members at the annual general meeting.

A tour of inspection followed when members were shown the renovated rooms. A resolution from the floor was passed that an all-out effort should be made to go ahead and finish the job 100 per cent.

**MODERN AND UP-TO-DATE**  
Improvements to the premises include a modern and up-to-date kitchen and coffee bar, boasting stainless steel sinks and refrigerated sandwich

tables all laid out for quick service and convenience. The rest rooms are modern and roomy; with tiled floors. The chart room is finished in Philippine mahogany with natural finished oak bar and fixtures. A roomy and convenient check cloak room further adds to the facilities.

The premises will be heated by modern circulating Rock Gas heaters in each room assuring comfort to the members or guests at all times. They are automatic and thermostatically controlled.

The new green Tex roof has brought many comments from Washington Avenue residents. To further add to the attractiveness of the building the front will be finished in rough

cedar siding. The exterior of the whole building will be repainted, making it an attractive asset to the famous White Rock beaches.

**CLUB OBJECTIVES**  
"It is one of the objectives of the Semiahmoo Yacht Club to improve boating and seaside recreation by financing many needed attractions for tourists and residents and thus encouraging the Provincial Government to reclassify the beach as a Class A Park," said Mr. Young.

"It's got to be done someday—Why not now?"

**SEVEN DAY SERVICE**

## Cricket Club Arrange Fixtures

The general meeting of the White Rock Cricket Club was held May 9. Mr. Robin Johnston was elected vice-president, Mrs. Ellen Marshall, secretary, and Mr. John Frederick, treasurer. The president is still to be elected.

The club will play away games this year until such time as a suitable ground can be found in White Rock. Fixtures have been arranged with teams in Vancouver and the North Shore Cricket Club.

Any cricketers wishing to join the club should contact Mr. Robin Johnston at the Hilltop Bank of Montreal. Honorary members are most welcome to join the club.

Canada's Imperial Measure is one-fifth larger than that of the United States.

## Ladner Student Will give Peace Arch Speech

Six students competed in the oratorical contest to decide which one would deliver the Peace Speech on May 20, to mark the 22nd anniversary of the building of the Peace Arch. Donald George North, 17, Grade 12 student from Ladner High School was winner of the honour. Five other students competed, four from Surrey and one from Lester Pearson School in New Westminster.

The 1956 celebration is in the hands of a Canadian committee. Dr. John K. Friesen, Director of the Department of University Extension, UBC, will be special speaker.

David Fraser of White Rock's Semiahmoo School was a competitor and received honourable mention for his speech. Topic this year is "Freedom — an Obligation and a Challenge."

Other students taking part were, Robert Donn, Cloverdale, Lord Tweedsmuir High; Robt. McKenzie, North Surrey High; Don Dunster, Queen Elizabeth High; and David Wilder from Lester Pearson High.

There was no competing student from Queen Elizabeth as their competitor is taking part in the annual Knights of Pythias Pacific Northwest oratorical contest.

Judges for the Peace Arch contest were: T. R. Hall, Marine Drive, White Rock, former Principal of Vancouver Normal School; C. J. Fredericksen of Burnaby, Municipal School Inspector, and S. McKinnon.

Surrey Reeve, Bob Nesbitt, is chairman of this year's programme. Mrs. Jessie Lee, a teacher at White Rock's Elementary School is a member of his committee.

## W.R. Students Graduate With Honours At U.B.C.

Two former White Rock students who have gathered many scholastic awards since leaving Semiahmoo High School, have graduated with honours from the University of British Columbia. John Gordon Shaw has won the Wilfred Sadler Memorial Medal for heading the graduating class for the Degree of Bachelor of Science in Agriculture. He is the son of Mr. and Mrs. Shaw, F Street.

Previous awards of the local student include the Soroptimist and the Canadian Legion Provincial scholarships. John plans to go to the University of Wisconsin this Fall to commence studies proceeding to his Ph.D. degree.

At present he is employed at the Dominion Government Plant Pathology Laboratory at the University of B.C.

Also capturing first class honours, John Hugh McKee, son of Mrs. A. W. Biggs, Stevens Street, graduated with his B.S.A. degree. John attended Semiahmoo High School and

took his senior matriculation here. He is married and lives in Vancouver. Ralph Hubert Spinnay, also of White Rock, graduated with the Degree of Bachelor of Applied Science.

Reeve R. M. Nesbitt intimated the expanding population and Surrey's complex road and traffic system is such that present police force is adequate to handle it.

"Our ratio of police personnel is lower than other municipalities of similar population." It was pointed out that only eight to ten men are on shift at any one time although 22 men are on the force and the force is always short-staffed.

## THE CHURCH SPEAKS TO EACH MAN IS GIVEN A DAY.

To each man is given a day, and his work for the day; And once, and no more, he is given to travel this way; And woe if he flies from the task, whatever the odds; For the task is appointed to him on the scroll of the gods.

Edwin Markham.

## Overture Assoc'n Launch Member Drive

At a meeting of the Semiammo Bay Overture Association on May 10, the campaign for the sale of Membership Subscriptions was launched. The target set is 450 memberships.

Place for holding the concerts will possibly be the Semiammo High School Auditorium or the Movie Theatre, it was announced. If the scheme is successful the Association hopes to purchase a concert grand piano later on. In the meantime concerts will be confined to ensembles and soloists.

The White Rock Association expects to draw members from other districts such as Cloverdale, Newton and Crescent. It will operate on a non-profit basis for the purpose of bringing good music to White Rock.

The present committee are: Warren Slaughter, president; W. Russell Dewar, treasurer; George Blair Greenwood, recording secretary; Thomas Brunker, corresponding secretary; N. G. M. Loughhead, legal adviser; Publicity, Miss J. Tavernier.

Executive members are: Mrs. Bruce Fraser, Miss E. Keeling, Mrs. W. R. Dewar, Mrs. Harbridge, Neil Primrose and W. Kinvig.

## Scout Troop Attack Memorial Park Problem

The 1st White Rock troop Boy Scouts are planning to fix up the Memorial Park near the Great Northern Station, by beautifying it with flowers and shrubs it was decided at a recent meeting. Mr. J. Shaw is supplying the fertilizer. The local Cubs are also going in for gardening in their own homes for competition later on. The Hazlemere group are planting trees around the church in that community.

On June 9 there will be Cub Inter Pack competition at Ray Shepherd School grounds at 2 p.m. on the different phases of Cub work under District Com-

missioner Max Green. It was reported that all Scouts and Cubs are taking part in the Peace Arch Ceremonies on May 20.

The Rev. H. Berry, who has had long experience in scouting, has consented to join the South Surrey District Council as a new member.

The 1st White Rock troop have secured new quarters in Arnold's old building on Stayte Road and will hold their first meeting there on Thursday night.

It was also announced that sometime in June a Scout and Guide Social will be held.

## Appeal Made For Burned Out Family

Canadian Legion, Branch No. 8, its officers and members have been asked to sponsor a public appeal for donations to assist a veteran's family who recently suffered severe fire losses.

Mrs. H. McPherson and her son had the misfortune to lose their home by fire. "It is therefore our duty to ask all public-spirited citizens and social organizations of our community to do all they can to help this very deserving cause," said John Hunt, President of Branch No. 8.

"Please forward your dona-

tions to the Society who will issue receipts for same," he said.

The total amount collected will be announced in this newspaper.

(Continued from Page 1) is in accordance with requirements of the Land Registry Act.

It was pointed out much clerical work is involved in subdivision preparation with over 100 being received each month.

White Rock Hospital authorities have been advised by Council to ask the private persons who will be seeding the rear of the hospital grounds to bulldoze the area. Municipal crews cannot do work on private property.

Blacktopping of the approach to the hospital, promised last year, will be undertaken at once.
